* Softball will be played on the weekends only through the fall.

** These are all one weekend events.

All other sports could be played any day of the week, depending on availability of facilities.

Divisions of Play

- U=University Division. All SU & ESF students, faculty and staff may participate. Where there are differences in rules, men's rules apply. "A" and "B" sub-divisions based on ability will be offered in each sport whenever there is sufficient registration in both divisions to support separate competition. Flag Football and Basketball will also have "C" subdivisions.
- W=Women's Division. All SU & ESF female students, faculty and staff may participate. Men may petition the Intramural Management Team to play in this division. Where there are differences in rules, Women's rules apply. (Sorority and Open Sub-Divisions).

Someone may play in EITHER University "A", University "B", University "C", OR Women's in any given sport. – One team per person.

- Cr=Co-Rec Division. Rules have been modified to insure a 50% gender split and maximize participation by both men and women. Participants in any of the other divisions may ALSO participate in Co-Rec in the same sport. One Co-Rec team per person.

Levels of Play

Intramurals is for the “weekend warrior” as well as the skilled athlete. To help you find your “comfort zone”, in all University Division sports, there are separate “A” and “B” competitions with separate championships awarded in each division. In addition, flag football and basketball will have “C” competitions. It is expected that teams will be realistic about their over-all playing ability. **Blow-outs are no fun for either team!!!** With that in mind, the Intramural staff retains the right to reassign teams should they obviously be in the wrong league once play has begun. We may also combine divisions whenever there is not sufficient enrollment to support separate leagues.

Some Quick Intramural Facts

- All intramural registration is done online! Go to www.suintramurals.info for registration forms and directions. Team managers must have their team name, and the names, SUID numbers and e-mail addresses of all players to register.
- Don't have a team, but want to play a team sport? Go to the web site and look for the article titled “You want to play a team sport but don't have a team?” for tips on how to find a team.
- Deadlines are DEADLINES. If you miss a deadline, the odds are you will not be able to play the sport. Emails dated after the deadline, regardless of when they are sent, may be disallowed. Missed managers' meetings will also result in teams being disallowed from play.
- Intramural sports are free unless you don't show up! Forfeits are problematic for everyone, so to increase the likelihood that you will show a forfeit fee is charged at the time of registration. The fee is \$20/team for team sports and \$3/entry for individual and double sports, and is due by the registration deadline in the Recreation Services Office, 241 Archbold Gym during business hours.
- Forfeit Fee refunds are the responsibility of the manager to claim in the REC Office, 241 Archbold Gym after the conclusion of a sport. Any fees remaining at the end of the school year are not refundable or applicable to the following year's sports. Note: The manager will fill out a form when they come to the office, and a check will be mailed in approximately 3 weeks.
- There will be a charge of \$40 for ice time for intramural broomball. The charge must be paid at registration, and is not refundable whether or not a team completes their season. Since there is a charge for ice time, the forfeit fee is waived for this sport.
